

ACCESSIBILITY

Yeahhh ...

San Interactive Ltd. website is committed to ensuring accessibility for all individuals, regardless of disability or impairment. We strive to provide an inclusive online experience and make every effort to comply with accessibility standards and guidelines.

Accessibility Features:

Alternative Text: We aim to provide alternative text descriptions for all images and visual elements on our website. These descriptions allow individuals using assistive technologies, such as screen readers, to understand the content and context of the images. **Keyboard Navigation:** Our website supports keyboard navigation, allowing users to browse through the site and access all interactive elements using keyboard shortcuts. This helps individuals who have mobility impairments or

rely on alternative input devices. **Clear Structure and Headings:** We maintain a clear and logical structure on our website, using proper heading tags (H1, H2, etc.). This structure aids users in understanding the organization of the content and allows screen readers to navigate through the pages effectively.

Color Contrast: We strive to maintain sufficient color contrast between the text and background elements on our website. This ensures that the content remains legible for individuals with visual impairments or color blindness.

Responsive Design: Our website is designed to be responsive and adaptable to different screen sizes and devices. This allows users to access the content easily, whether they are using desktop computers, laptops, tablets, or mobile phones.

Ongoing Accessibility Efforts: We are continuously working to improve the accessibility of our website. Our team regularly reviews and updates the site to ensure it aligns with the latest accessibility standards, including those outlined in the Web Content Accessibility Guidelines (WCAG) 2.1.

Contact Us:

If you encounter any accessibility barriers or have specific concerns about the accessibility of our website, please contact us. We value your feedback and are committed to making reasonable adjustments to facilitate your access to our content.
